We need you to sign up to classes in advance so that we know how many people to expect, what resources to provide and who we are aiming to support. This will allow us to better support your needs. **Please sign-up by Friday 27th March.**

- Classes are for National 5 and Higher subjects.
- There are two 1 hour 30-minute sessions each day.
 - Session 1 - From 9:15am – 10:45am
 - Break - 10:45am – 11:00am
 - Session 2 - From 11:00 am – 12:30pm
- You can stick with one subject for the whole morning, or do a different subject each session.
- **To sign up, use the above links**
- **It's best to have the timetable open so you can see the full week and plan better.**
- **If you need a paper copy of the timetable, see Mr Prentice in G18.**
- **You will receive confirmation emails from Eventbrite with the classes you signed up to. You can even add these to your calendar, so you don't forget**

If you change your mind and decide to attend on the day, you are very welcome to attend a class you haven't signed up to, but we need numbers in advance of running classes.

Unfortunately, we can't offer classes for every subject, but luckily you can still access live online study support from e-Sgoil. Please remember you must register for the classes in advance following instructions on the website. These classes are provided by teachers from across Scotland and would be ideal for young people who cannot attend classes at the school **Click on this link to see details for e-Sgoil Easter Study classes.**

GOOD LUCK WITH YOUR STUDYING!

Remember, you will get out what you put in!! The more work and preparation you do, the better your grades will be!

Thanks

Mr Prentice
