

KSS
Rights Respecting School

By Martha Davidson, S5

What is RRS?

Rights Respecting School (RRS) is where the school works with the pupils to promote and realise child rights.

What have RRS done to help KSS?

Rights Respecting School is a club which helps aid the development of pupils rights at KSS. We recently started rewarding pupils for demonstrating the school values with treats, and teachers have been trying to implement the language of the charter in their classes. However if pupils misbehave, they can receive a reflection card to think about their actions.

They also went on a trip to Hyndland Secondary to see how they promote children's rights and they got some inspiration. This was effective and now we have banners and posters all around our school. They were also inspired to help pupils who worked together to create the new charter and values for KSS so everyone feels involved.

Pupil Leadership

In the end of last year, KSS has formed a captaincy team to help involve pupils in events and changes in the school. We've given S5 and S6 pupils the chance to take on leadership roles within KSS and allowed them to become a part of the wider school community. Those who were interested were able to choose from become a Captain, Vice Captain or a Prefect.

The Captains, Vice Captains and Prefects have been involved in supporting many after school events such as parents' evenings, information evenings and speaking at assemblies. The Christmas fair, monitoring during lunchtimes and at the Halloween Ghost Tours, and organising events for the school.

Our Commitment to Equality

It's very important to us at KSS that everyone feels represented and equal. To ensure this, we asked pupils which historical days they felt needed to be highlighted in school. Thanks to their feed back the following Days are now taught and valued across our school and curriculum:

- International Women's Day
- The Elimination of Violence Against Women
- Black History Month
- Holocaust Memorial Day

The school also runs an LGBT+ Group that meets every lunchtime and an Anti-Racist Club that meets on Wednesdays.

How to Get Involved

If you are interested in joining Rights Respecting School then just ask Mrs Adams, Mr Hanrahan, Ms McMillan or Mr Oakes and they'll be happy to let you join.

A collection of ten colored dots in various colors (blue, yellow, purple, red, green) scattered around the text.

Our Vision
